HEBREWS 11:1, NIV

FAITH

Knowing Jesus changes the way you see others.

Watch this week's video on MWKidsWorld.ca or our Facebook page and discuss these questions as a family:

Sometimes it's easy to forget that all of the people around us are God's creation and Jesus loves them just as much as He loves us. We must remember to see everyone in our lives as Jesus would: with love and kindness. The more we get to know Jesus, the easier it is to see everyone through His eyes!

1. Why did Peter think he couldn't go into Cornelius's house?
(It was against Jewish law for a Jewish person to go inside of the house of someone who wasn't Jewish)
2. What happened that made Peter think it was okay for him to go visit Cornelius?
(God showed Peter a vision that He was making new rules)
3. What did Peter do once he was at Cornelius's house?
(Peter told Cornelius and everyone in his home how Jesus died and was raised again so everyone could be forgiven; Peter baptized Cornelius and his friends/family)
4. What are some ways that you can show people that you see them with love?
(Share what you have with them (i.e. a toy, snack, game), spend your time with them, listen when they talk, etc.)
5. What can you do to see people more like Jesus does?
(Pray, remember that Jesus loves them and that they are God's creation, read Bibles passages about how Jesus treated people, etc.)

Dear God, we want to be people who see others the way You see them. We know that You value each and every person You made. We want to value others, too—no matter what we might have in common or what our differences might be. Help us to see people as You see them, and forgive us when we fall short of that. Thank You for loving us the way You do. In Jesus name, amen
