

KIDS' WORLD AT HOME

AUGUST 2

CREATIVITY

Imagining what you could do because you're made in God's image.

Memory Verse

“Lord, you are great. You are really worthy of praise. No one can completely understand how great you are.”
Psalm 145:3, NIV

Watch this week's video on MWKidsWorld.ca or our Facebook page and discuss these questions as a family:

When we realize that we are made in the image of God, we can start to see the world differently. We'll also see ourselves and others differently. We are all made in the image of God and are all capable of amazing creations!

1. What are some things that God created?

(Animals, plants, the sky, the sun, the moon, etc.)

2. True or false: God's most creative creation is animals?

(False! God's most creative creation is US, PEOPLE! He made each of us differently, with unique talents and skills. He did that on purpose because people are God's favourite creation!)

3. God says that we are made in His image. What do you think that means?

We are created to think, feel, and act at least a little bit like God.

4. How should we, people, treat God's creation?

(With respect and awe. We worship God for His incredible creation.)

5. Name some of the ways that you are creative.

(Answers will vary.)

“God, thank You for creating the world and everything in it. You put each star exactly where it is—that's pretty cool to think about! You are so creative, and we know that You made us to think like You. That means we're creative, too! Help us to think about You when we're enjoying the things You created. Remind us to be thankful to the One who created it—You! We love You. Amen.”

Prayer time!
