

KIDS' WORLD AT HOME

JULY 26
Memory Verse

Following Jesus will turn out greater than you can imagine

"God's grace has saved you because of your faith in Christ. Your salvation doesn't come from anything you do. It is God's gift."
EPHESIANS 2:8, NIrV

Watch this week's video on MWKidsWorld.ca or our Facebook page and discuss these questions as a family:

We may not know everything about heaven, but we do know some things. We know that when things are really sad or confusing here on Earth, we can put our hope in heaven—a place where those things don't exist. We also know that God will be there with us, living with us! How cool is that? With what we do know about heaven, we can trust that following Jesus will turn out greater than we can imagine.

1. Today we heard about Heaven. What do we know about Heaven?
(It's where we get to have a relationship with God forever; there's no death there; no sadness, anger, or hurt; heaven is better than we could ever imagine!)
2. What do you think Heaven will be like?
(Discuss what you'll eat, wear, and do all day. We know heaven will be better than anything we can imagine, so let your kid's imagination run wild with the possibilities!)
3. What does it take to get into Heaven? Do you have to be perfect?
(No! All it takes to get into heaven is faith in God's Son, Jesus.)
4. Will there be any bad days or sad feelings in Heaven?
(No, there will not! We will be in Heaven with Jesus and will be filled with happiness.)
5. Does the thought of getting to live in Heaven make you and your family excited?
(Answers may vary, but you should be excited at the prospect of getting to go to Heaven and be with Jesus!)

"God, we don't know everything about heaven, but what we do know sounds pretty awesome. When things get really hard in our lives, help us to remember that when we put our faith in You, we have hope in a place where there is no pain, sadness, or anger. Thank You for making a way for us to live with You forever. We love you, God! Amen."
