I am loved because God loves me.

Before you were ever even born, God loved you and He loves you now and will love you forever! God's love is like no other; it's unconditional (He loves you no matter what) and eternal! God loves us so much that He always forgives any bad choices we make.

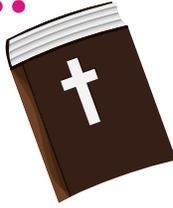

Get in the Word...

- 1 Corinthians 13:13

- 1 John 4:7

- Jeremiah 31:3

Main Verse:

"But here is how God has shown his love for us. While we were still sinners, Christ died for us."

Romans 5:8 NIRV

Review Questions:

1. When we follow Jesus, what does God see: our sins or His love for us?
(His love for us.)
2. What are some things that God does to show His love for you?
(Answers will vary.)
3. Why do you think Jesus Christ died on the cross for us before we believed in Him?
(Answers will vary.)
4. What do you think you can do this week to remind yourself that God loves you?
(Answers will vary.)
5. What do you think you can do this week to let others know that Jesus loves them, too?
(Answers will vary.)

Activity: "POP!"

Need: Paper and balloons.

On slips of paper, right out some Bible verses about God's love (you can use the ones above, the suggestions below, or look up your own!) on slips of paper and slide them inside balloons. Play a game with the balloons and try to keep them from touching the floor. If they do, they need to be popped! When a balloon is popped, take out the verse and read it out loud.

If your child doesn't like balloons popping, you can write the verse on the balloon with a marker or tape the verse to the balloon. Whichever balloon touches the floor, that verse has to be read!

John 3:16

1 John 4:16

Psalms 86:15

Isaiah 41:10

Don't forget to pray!

Extra ... "Secret Love Notes"

Need: Cardstock, white crayons, markers, scissors (optional).

Cut some white cardstock into the shape of hearts. Using the white crayon, write notes on the cardstock like, "God loves you!"; "God's love never ends"; or some Bible verses!

When you colour over the white crayon (which you can't see very well on white cardstock), the message will become visible!

Give these secret love notes out to friends and family and show them how to uncover the message! Make sure you write some for yourself, too!
