

KIDS' WORLD AT HOME

CREATIVITY

God created you to work with others!

AUGUST 23

Memory Verse

“Lord, you are great.
You are really worthy of praise.
No one can completely understand how great you are.”
Psalm 145:3, NIV

Watch this week's video on our Playlist (link posted on facebook and webpage) and discuss these questions as a family:

Everyone is made with different skills and qualities. While there are some things you can do that others can't, there are things others can do that you can't! When we put our abilities together, the things we can do multiply!

1. When the four men arrived with their hurting friend, they couldn't see Jesus. How did they work together to solve that problem?

(They lowered their friend through the roof.)

2. That's a pretty creative strategy, isn't it? Then what happened?

(Jesus healed their friend.)

3. As we learned in our lesson today, sometimes we don't have the skills to do certain things on our own. Have you ever worked together with a friend to do something? How did it feel?

(Answers will vary.)

4. If you see someone struggling to do something, what can you do?

(Ask them if they would like some help.)

5. Should you feel embarrassed or scared to ask for help?

(No! Everyone needs help sometimes and everyone has different skills!)

Activity: "Mitt Madness"

What you need: oven mitts or thick gloves; and any of the following: marker with cap, sheet of paper, coin, scissors, book, candy or gum in the wrapper.

Gather the supplies and find a hard surface - like the floor or a table - and spread out the items,

Tell your child that it's time to play a game. Say, "Here are some oven mitts to wear. You'll have a challenge to do all on your own, without taking off the mitts. Ready?"

Here are some challenges depending on your supplies:

Take the cap off the marker.

Pick up the sheet of paper without sliding it.

Spin the coin on the table/floor.

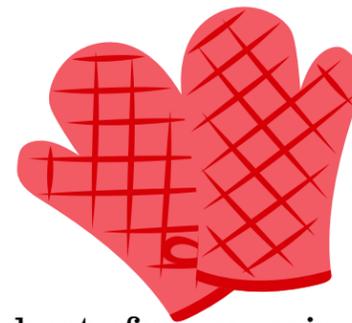

Turn to page ### in the book.

Unwrap the candy/gum.

Cut out a circle from the sheet of paper.

When they're done, ask how many they were able to do on their own and then ask them to try again, but this time, you will help them.

See how much easier tasks can be when we ask for help from others!

“God, thank You for putting people in our lives who can help us. Alone, we can only do so much. But when we combine our skills and our creativity with other people's creativity, we can do so much more! Help us to remember to look for ways we can work together. We love You! Amen.”
