CREATIVITY

God created you so
you can be creative!

AUGUST 9

Memory Verse

“Lord, you are great.
You are really worthy of praise.
No one can completely
understand how great you are.”
Psalm 145:3, NIV

Watch this week's video on our Playlist (link posted on facebook and webpage) and discuss these questions as a family:

God created the entire planet and everything on it. He created the entire universe! Knowing that we are made in the image of God reminds us that we are made to be creative, too!

1. If we're made in God's image and God is creative, what does that mean about us?

(We are creative, each in our own way.)

2. Find Ephesians 2:10 in your Bible and read it. What does that verse say about us?

(We belong to Jesus; God created us to do good things.)

3. As a family, name some of the ways that each person is creative.

(Answers will vary.)

4. How should we use our unique talents and skills?

(We should use them to point people to God and to show them how creative God is!)

5. Is anyone else creative in the exact same way as you?

(No! Everyone has unique talents and skills just for them. Artists' art looks different and singers sound different from each other. No two people are exactly the same.)

“God, thank You for creating us with unique skills. Help us to use our talents and creativity to do good things. Remind us that THIS is why You created us—to help and love others. We know we have what it takes because we were created in Your image. We love You! Amen.”

Prayer time!

Activity "Letter Writing"

Who doesn't love receiving mail? Something in the New Testament that the Apostle Paul did, was he wrote many letters to many different people to tell them about Jesus. Writing letters is one way to be creative!

Think of some people you could send a letter to. They could be a family member like a grandparent or cousin, or they could be a friend! Write them a letter to tell them how you're doing and let them know how much you love Jesus. Ask them how they're doing and remind them that Jesus loves them too!

Ask your parents to get you a stamp and envelope, and mail your letter. Ask for a response letter in return and you could have a new pen pal!
