This month in Kids' World, we're talking about being content!
That means being okay with what God has given you.

Sometime this month, try giving away something that you have to someone in need. Maybe you could donate some clothes, give a toy to a friend, or even give up some of your time to help someone out!

Tips:

A good way to get to know the stories in the Bible is to share them with others! Who knows, you might even be telling a Bible story to someone who has never heard it before! Try sharing stories with your classmates, your teammates, or even your family!

To receive the extra credit, simply send in a video of you reciting the memory verse and a picture of the verse written out. If you come to the BRP table at the end of the month, bring a page with your written verse and/or recite the memory verse at the table!

This Month with BRP

As you're getting back into the swing of the school year, tell your friends about the BRP club and invite them to Kids' World! Telling other people about who Jesus is is one of the best things you could ever do!

School can be crazy, but make sure you still take the time to read your Bible, talk to God, and get closer in your relationship with Jesus.

Tips:

The Bible can sometimes seem like a big, confusing book that looks impossible to read. But just remember that there are many books within the book of the Bible! Break it down into each book and read a little bit at a time!

To receive the extra credit, simply send in a video of you reciting the memory verse and a picture of the verse written out. If you come to the BRP table at the end of the month, bring a page with your written verse and/or recite the memory verse at the table!

Did you know that everything in the Bible is completely true? Yup! That's right EVERYTHING in the Bible is the TRUTH. What's the most amazing thing that you've ever learned from your Bible?

Don't forget to ask questions! The best way to learn is to be curious and ask all kinds of questions. Have a question about something you've read? Ask a parent, grandparent, teacher, or trusted adult!

Tips:

Before opening your Bible, try praying that God open up your eyes and your heart to what you're about to read. Even if it's a verse or story you've read a thousand times, you may learn something new!

We're into Summer with the BRP club, but don't let the heat keep you from reading your Bible! A shady spot outside could be the best place to open up your Bible!

Tips:

Sometimes you might not feel like reading your Bible, and that's completely normal! Don't feel bad about it, but pray about it! If you're struggling to read or struggling to want to read, just talk to God. He'll help give you the motivation to open your Bible and read your verses for this month. :)

This Month with BRP

Good job to everyone who completed the first month of our BRP club! We hope you've learned something new in your readings and now you're one step closer to some amazing prizes!

If you haven't completed January's readings, no worries; you can still send it in whenever you finish.

We hope that by getting into the Word of God you are drawing nearer to God. Draw close to God and He will draw close to you.

Tips:

Maybe you've read a story in the Bible that you want to know a little bit more about. There are plenty of videos on YouTube all about these stories! Just ask a parent and they can find one for you to watch.

This might help you understand the stories a little better.

To receive the extra credit, simply send in a video of you reciting the memory verse and a picture of the verse written out.

Completing the extra credit verses will get you extra Kids' Cash!

This Month with BRP

This is our first official month of the BRP club and I can't wait to get started! Remember that reading the verses yourself is the best way to participate, but I also know that reading can be difficult for some. You can have someone read you your verses if that's easier for you!

What I want most is for you to hear God's word and to become familiar with God's truth. Hide God's word in your heart.

Tips:

There are some versions of the Bible that are easier to read than others. We would recommend the NLT (New Living Translation) or the NIV (New International Version).

Take your time. If you don't get it all done in a month, that's okay! There's no deadline for you to have to get them done. Just keep reading.

This month's extra credit:

Write out Romans 12:9-13

Memorize Romans 12:9
